TIP: Manners Matter

Be a responsible pet owner and make sure I’m well-trained so I’m not a distraction.
TIP: No Nibbling

Don’t let me chew on cords or other items that could be harmful. Give me a chew toy instead!
TIP: Keep Me Safe

Use a leash, gate or crate to keep me secure while I’m here with you at work.
TIP: Take a Break

If you’re thirsty, I probably am too. Remember to go get me fresh water throughout the day.
TIP: Ask First

Always ask before touching a pet you don’t know. My owner knows the best way to approach me!
TIP: Banish Boredom

Sometimes I get bored and act out. Play with me periodically. It’s good for my health and happiness!
TIP: Don’t Leave Me

Never leave pets unattended at work or in any public space. Always have a plan to keep us safe.
TIP: Let’s Walk

A short walk can refresh and energize! Let’s walk together. It helps people and pets be healthier.
