

# PETS WELCOME

**Everything's better with pets!**  
Responsible pet owners make it  
a great experience for everyone.

-  Keep me leashed and under control to help protect me (and the people and things that are around me!).
-  Gimme space! Make sure I hang out where I won't be underfoot.
-  Grrrr. If I get over-excited, aggressive or anxious, please take me outside so I can calm down.
-  When I gotta go, I gotta go. Help me anticipate when I need to go out for a break.
-  Don't leave me!  
(Never leave pets unattended in a public space.)
-  Keep in mind that you're in charge. I try to be good...but you're ultimately responsible for me and my actions.

# PETS MAKE LIFE BETTER

-  Over 90 million families now have pets.
-  Pet owners report lower stress and less depression.
-  Getting outside with us means exercise for good health.
-  We help you meet new people and make social connections.
-  63% of U.S. mayors\* surveyed said pet-friendly policies can attract more traffic to retail and restaurants.

Pets are best friends, morale boosters, exercise buddies, stress relievers and social icebreakers. The **Better Cities For Pets™** program helps create pet-friendly cities so everyone can enjoy a better life.
